What does
the phrase
mean?

It is a reminder
to be kind,
patient and
caring to
others

Be Good-Natured

Why does it look
like a castle?

The logo is a castle
because I care about
safety and reliability
and the castle and
shield crest symbolizes
this.

What do I care
about?

I care about my
religion and
surrounding myself
with people that
support me but can
also tell me when I'm
wrong.

What am I
working
towards?

I am working towards
my degree because I
want to work towards
working on a project
that I can be proud of.
